Although both Scotland and England are part of the UK, Scotland has its own distinct judicial system and its own jurisdiction. Rather than being solely a Common Law system, Scottish law is a mixed system, and it is important to be aware of the differences, especially if you plan to study law in a Scottish institution.

Precision teaching is a precise and systematic method of evaluating instructional tactics and curricula. It is one of the few quantitative analyses of behavior forms of applied behavior analysis. It comes from a very strong quantitative scientific basis and was pioneered by Ogden Lindsley in the 1960s based largely on Skinner's operant conditioning. ...
